

GO ZEBRA

TRADE-IN PROGRAM

Yesterday's technology is no match for today's challenges.

How well your front line performs depends in great part on the technology used. If it's outdated, it's not made to outsmart errors, delays and complexity. Give workers the tools to get the job done. Go from lagging legacies to leading-edge solutions with GO Zebra.

Swap setbacks for savings on smarter, harder-working technology:

- Exchange complicated workflows for one-step simplicity
- Work nonstop with technology built tough
- Remotely manage with set-it-and-forget-it ease
- Preempt problems before they become disruptions

Rebates made real simple:

1. Contact your authorized Zebra® partnerconnect channel partner

Let your Authorized Zebra® PartnerConnect Channel Partner guide you on the right solutions. They will take into consideration your users, applications and work environments, as well as your upfront and ongoing costs of ownership.

2. Purchase a qualified product

Regardless of which qualifying product you select, you can be sure it's purpose-built to improve productivity, lower costs and raise customer satisfaction.

3. Submit your reclaim form

Register for your rebate by completing a trade-in application within 90 days of invoice date.

4. Trade in your legacy devices

After the claim is successfully completed and approved, you will receive a Trade-in Merchandise Authorization (TMA) with instructions. Visit zebra.com/gozebra for details.

Program eligibility

1. This offer is being made from Zebra Technologies to end users in the form of a rebate for purchases made between January 1, 2022 and December 31, 2022.
2. The Program applies to new purchases of qualifying devices (the "Qualifying Products"). End users must purchase Qualifying Products from a Zebra PartnerConnect reseller ("Reseller").
3. The Program website at www.zebra.com/gozebra sets forth the rebate amount associated with the purchase of each Qualifying Product.
4. For mobile computers, any manufacturers' brand or model of mobile handheld device with a display equal to or greater than 2" is eligible to be traded in, including Zebra, Motorola, Psion, Symbol and Telxon.
5. For printers, any Zebra or competitive thermal barcode or card printer is eligible to be traded in, but must power up and include the printhead.
6. For scanners, traded-in scanners must be comparable to the one being purchased.
7. For batteries, traded-in batteries must be comparable to the one being purchased and must be a separate line item on the Reseller invoice. Trade-ins from alternate battery suppliers are also eligible for trade-in. Any end user participating in Zebra's battery maintenance or battery refresh programs is not eligible for this Program. Only the charger listed is available for trade-in.
8. The end user cannot combine this with any other offer, promotion or special pricing ("Special Pricing") provided by Zebra to the Reseller as part of the same transaction. It is the responsibility of end users to verify with their Resellers that such Resellers have not purchased the Qualifying Products at Special Pricing.
9. Rebate claims must be completed online and eligible trade-in devices must be received by Zebra no later than 90 days from the date of your Reseller's invoice.
10. Rebates will be issued for each traded-in product, one-for-one, based on the number of Qualifying Products purchased.
11. The end user may choose to utilize the Program more than one time.
12. Zebra reserves the right to change, cancel, modify or end the Program at any time with or without notice.
13. GO Zebra is available only to Zebra end users in the continental U.S. (excluding Alaska, Hawaii, and US territories) and Canada.
